Government Order No 2820-1/Ml 119-15-6 dated the 6th November 1916 sanctioning the grant, subject to certain conditions, - of a site not exceeding two acres in extent in the open ground between the Hardinge --- Road and the Fort Centre Road leading to -- Basavangudi in the Bangalore City, free of cost for the construction of a building for locating the Mahila Seva Samaja

2 Letter dated the 13th April 1921 from the President, Mahila Seva Samaja Bangalore, stating that the Samaja has -- constructed a specious and ornamental building in two storeys on the site granted for the purpose that the Samaja is now engaged in putting up a compound wall to enclose - the site, that in doing so it is found -- that the open space in front of the main building is too narrow (only about 40 feet), that it will not only spoil the appearance of the building to erect a wall quite so close to the frontage but that there will also not be sufficient space for carriages to turn round and for the construction of an ornamental water fountain as part of the frontage and requesting therefore that the open space of 150 feet in breadth from the Fort Basavangudi Road in front of the Samaja which was reserved for a boulevard may be given to the institution and permission -- granted to enclose the space and include it within the coumpound of the Samaja building on condition if need be, that the same

will be laid out as a garden and that it will not be built upon without permission

3 The Revenue Secretary's letter No 4015/M1 21-20-203 dated the 16th January 1922 informing the President of the Mahila Seva Samaja that Government regret their inability to grant the request as they consider it desirable to reserve the land in question on a boulevard
